Effective January 27th 2022, St. Peter School will no longer conduct contact tracing for school related COVID-19 cases. This decision is consistent with guidance issued by the Ohio Department of Health (ODH) on January 26, 2022. Email notification of positive COVID-19 cases in buildings, classrooms, athletics and school extracurricular activities will continue but close contacts will not be identified. Wyandot County Public Health and St. Peter School will continue to work together to deal with COVID-19 outbreaks or clusters in schools as necessary. Positive COVID-19 cases must continue to follow current isolation guidance and contacts of positive cases outside of school must continue to follow quarantine guidelines from the Ohio Department of Health. For further clarification, please refer to the attached documents. As always, we want to thank you for your continued support and cooperation during this time and we hope this decision will help move us closer to the end of this pandemic. God Bless.

Best Regards,
Mr. Blake England
Principal
