Parent Newsletter #26

March 2, 2020

It's the season of Lent and we are eager to reflect on God's many blessings and acknowledge our shortcomings. We began our celebration with an Ash Wednesday service led by our sixth grade students. To help us be mindful of Christ's love for us, we will also be performing the stations of the cross over the next four weeks and we invite all of you to join us in this reflection. Stations will take place every Monday morning at 8:15 at the church with each week being performed by a different class from St. Peter School. This is also a special time of year for our second graders who will be taking part in their first penance service tonight at 6:30. Since this is a very special and sacred time for our second graders, we held an all-school prayer circle to ask God to continue to light their path towards faith formation. We cap off our Lent season celebrations with our sixth grade students performing their famous shadow stations on Holy Thursday. More details about this event will be forthcoming. As always, we want to express our gratitude for all of the support you have shown for our school and our parish mission. We pray that you all take time during the Lenten season to reflect and remember God's love for all of us. May God continue to shine his blessings on our community and light our path towards continued faith strengthening.
