

We hope everyone enjoyed their Memorial Day weekend. We have reached the final few days of school and that means finishing up schoolwork and completing end of the year checklists. One of those checklist items is ensuring that all invoices and outstanding bills are paid in full so please call the school office if you need clarification about any invoices. We also ask that you return any school items including Chromebooks and chargers to school this week. Finally, we wanted to remind everyone that there will be no extended day services on Thursday due to our early dismissal and a staff in-service. If you have any questions about any end of the year policies or procedures, please do not hesitate to ask. Since this will be the final newsletter of the school year, I wanted to sincerely thank you all for your continued support and cooperation during this most unique school year. Our goal this year was to create a safe and sanitary learning environment that would allow our students to have as much in-person learning as possible. I know that wasn't always easy and at times there was some tension, but I am proud of the way we were able to overcome those challenges and persevere for our students. My hope and prayer is that next year will be a complete return to normal but if we are still faced with challenges, I am confident that we can overcome them as well together. Thanks again for a great school year and I look forward to seeing you all in August. God bless and stay safe.

In Case You Missed It...

- The St. Peter Summerfest will take place on August 28th and 29th this year and will feature a lot of the same events and attractions as last year with some additional fun. The festival committee is accepting volunteers so if you would like to help with the festival, please contact Mr. England, Kristin Stringfellow, or Jeremy Stringfellow. Raffle tickets for your choice of an ATV, custom golf cart, or \$2500 are now on sale and can be purchased at the school, church office, or on our school website. We are asking every St. Peter School family to sell at least four tickets.
- Lunch on Thursday will be a picnic style and students will be eating outside that day. We ask students to bring a blanket or towel to sit on that day.
